## THE BEST IN EROTICA AND HOT ROMANCE

## How to Write for Us: Sizzler Editions Writer's Guidelines

Sizzler Editions has been one of the leading publishers of erotica in ebook form since 1999. Over one hundred Sizzler titles have appeared on the ebook bestseller lists at Amazon.com, Fictionwise, the Sony ReaderStore, and other leading ebook stores. Sizzler looks for books that are out of the ordinary and which feature strong plots, smooth writing, three-dimensional characters, and interesting backgrounds. In short, the sexuality in your story should be a consequence of the characters and circumstances, rather than a mindless series of sexual encounters intended solely to arouse and titillate. As a result, Sizzler Editions actively seeks works that are original, off-trail, and whose authors “think outside the box.”

### Sizzler Editions accepts submissions in all the traditional categories of erotica:

- \* Sensual romance
- \* Scorching tales of heterosexuality
- \* Lesbian
- \* Gay male
- \* Bisexual
- \* Transgender
- \* Bondage and domination
- \* Alternate lifestyles
